Double yellow line violations

Spotters are not being utilized.

Everyone needs to enforce safety rules.
Drink water, take a phone and a friend when you go searching for a plane.
Rick Chitty proposed an arrow set for landing and takeoff direction.
Give those taking off or landing priority. Move out and up away from runway..
Rule for low passes. If no one is flying... double yellow line,
If others are flying, centerline.
Stay in the pilot boxes or past the front white line of the box
Acknowledge when someone calls takeoff or landing..
Safety report accepted by members present.
